

- [TwiRetActivity.zip](#) This tool use live streaming, leave it running and check the screen regularly

Let say, I want to know who are Retweeting @saudinews50 tweets live and immediately as they retweet

1

input

Profile.txt — saudinews50

2

run

RUN.TwiRetActivity.bat

3

output

Live, don't close terminal

```
C:\WINDOWS\system32\cmd.exe
Reading profile.txt
Signing in as: Auto.aqfal
Preparing stream
Listening to: ['saudinews50']
iV48Ftf retweeted SaudiNews50
